Revas InTime

Revas InTime is an innovative mid-to-back office solution for recruitment agencies which:

- Cuts administrative time and costs
- Integrates with existing front-end CRM software, accounts and payroll systems
- Improves service levels with both recruiters clients and workers
- Offers key differentiators when tendering for new business.

Alternatively, you can take advantage of Revas Payroll, our outsourced payroll services.

- A fully scalable solution that allows for rapid business growth and future strategic changes
- 24/7 access and real-time reporting to facilitate good business decision-making.

Our Services

InTime has four key components:

Timesheet management – includes multiple methods of time sheet capture for off and online submission and approval.

Expenses management – through either standard or customised templates.

Billing – a rapid, automated and accurate billing solution that offers flexible invoice formats, automatic timesheet to invoice matching, online despatch or viewing.

Payroll – all staff are paid quickly and efficiently once the timesheet data has been authorised. InPay, our payroll solution, includes unique features such as real-time calculation, real-time process reporting, employee self-service and task manager.

WHY CHOOSE REVAS INTIME?

- Online timesheet capture and approval functions to eliminate costly manual processes
- Multiple methods of timesheet entry to support both blue and white collar recruiters
- Simple to use, self-service web portals designed to improve client and worker retention rates
- Front and back office integration - improves processing speeds, accuracy and eliminates re-keying of data between systems
- Accurate and flexible billing tools to negate client queries and improve cash flow

What is Revas?

Revas is the outsourcing arm of Baker Tilly, a leading UK and international provider of accountancy and business advisory services. It provides a full range of outsourced accounting, payroll, billing, time recording and corporate secretariat services for organisations which need a cost-effective, tailored alternative to managing their pivotal back office functions in-house.

Revas' multidisciplinary team of specialists apply technology intelligently to give clients a truly bespoke service that frees them up to focus on what they do best - running their businesses.
